

WELCOME FROM THE CONFERENCE CO-CHAIRS

Welcome to this special and historic 2019 Rocky Mountain Area Conference (RMAC). Special, because the conference is hosted by three organizations – the Accounting & Financial Women's Alliance, The Institute of Management Accountants, and the Institute of Internal Auditors. And historic, because the RMAC is celebrating the potential of its 10th sell out attendance in a row!

With the RMAC's debut in 1986, AFWA began this long-standing and well-respected conference. Hand-selected, quality speakers and affordability of continuing professional education are two attributes which continue today. The depth of the RMAC's presence as a premier Denver area conference for finance and accounting professionals is proven by its excellent venue, highly-regarded professional line-up of speakers and timely, relative topics.

It is one thing to propose an excellent conference, and quite another to make it happen. Quite a bit of effort goes on "behind the scenes" with a dedicated team of volunteers to make this conference a continued success. Consider becoming a team member!

We thank each of you – over 335 attendees throughout the Midwest, for attending the 2019 RMAC. We look forward to your contributions and participation in the highly diverse educational conference sessions.

On behalf of the RMAC executive team, we have the pleasure of welcoming you to the 2019 Rocky Mountain Area Conference and our conference days ahead.
